A Letter From The Director: Debbie Podolski

On behalf of the Board of Trustees, I want to thank our patrons for their patience and cooperation as the Library undergoes the renovation. Work has begun and we are anticipating completion by November. To see the work in progress, go to our website at www.farmingdalelibrary.org and click on the Behind the Scenes link.

We are getting adjusted to our smaller quarters on the lower level, but don't let our size lead you to believe that our services have been reduced or our collections are smaller. What you see isn't what you get! You have access to all the Library's collections. All of our DVD, music CD, Books-on-Tape, current magazines, new Adult Fiction, and Large Type collections are available on our temporary shelves for you to browse. What you don't see is also available. Simply ask our librarians and it will be retrieved from our stacks on the main floor. Better yet, call ahead and our librarians will put it aside for you to pick up at your convenience.

New to the Library is our Welcome Desk, manned by our reference librarians, to help direct you to our collections.

Coming Soon - eCommerce!

For the last few years, you have been able to pay your fines, lost books, and program fees using a debit or credit card at the Circulation Desk. Coming in the fall, you will also be able to pay your fines from home using the new eCommerce system. From the comfort of your home you can wipe your record clean of fines using a credit or debit card. eCommerce stations will also be located in the Library.

Come to the library this summer to get a good book, see a movie, or attend a workshop. Enjoy your library!

Look Who's Talking

"This is in reference to one of your employees, Mary F., to let you know that of all the years I have participated in any Library function, she has always been most helpful with a very upbeat attitude, no matter what is asked of her."

Arlene Marzagalli

"The employees are doing a wonderful job even though they are misplaced while under construction. Kudos!"

Colleen Vella

Take a Look Behind the Scenes of our Renovation Project!

Visit our website at www.farmingdalelibrary.org to see what's being done at the library. We will post pictures weekly of all the behind the scene renovations that are taking place, including our new side entrance, the new children's and teen rooms, and so much more!
