Family Fun
A Letter from the Director:
Christa Lucarelli

I’m sure everyone has plans for the summer; vacationing, going to the beach, spending time outside, visiting with family and friends. Whatever you may have planned, remember to stop by the library and borrow some of our items to enhance your day!

Going to the beach? Stop by and pick up a book to read by the water. Borrow our sand castle molds for the kids or our new Spike ball game for your teen. Seek out treasures with our metal detector! Grab the team and work on perfecting your jump serve with our volleyball set.

Taking a vacation? Borrow our luggage scale to ensure you are complying with airline regulations. Need a travel adapter? We’ve got that too! Borrow our coin sorter to organize all of your loose change. Our light therapy lamp will help ease the travel jitters.

You always need another table and extra chairs when hosting a BBQ at your house! Reserve one of our sets for those unexpected guests who drop by. Get the party started with some of our lawn games like Giant Connect 4, Jenga, lawn darts, tic-tac-toe and others. Think you’re a rock star? Sing your heart out using our karaoke machine. End the night by showing a movie using our projector and inflatable movie screen.

We even have you covered for a staycation. Borrow our books, movies, audiobooks and magazines. Try a bingo box, discovery backpack, book club in a bag, or giant board game. Visit our local museums using our museum passes. Beautify your garden by planting seeds from our Seed Library. Our Library of Things has items to help with household projects including a hand truck, stud finder, radon monitor, and wet/dry vac. And don’t forget to relax using our telescope to view the night sky!

Whatever your plans may be, don’t forget to stop by and visit the library this summer!

See you soon,
Christa
